

BEFORE YOU DONATE

Before you donate, please...

- + Review the list of items we do and do not accept. You can [view the list in a separate PDF located here](#).
- + Make sure clothing has been washed and gear has been cleaned. We only accept items that are free of stains and in great condition. Please donate items you would be happy to receive yourself or pass along to a family member or close friend.
- + Be sure that games and toys have all their pieces and parts.
- + Try to include manuals and instruction books for gear.
- + Pack goods in heavy-duty garbage bags or sturdy boxes.
- + Determine the estimated value of your donation for tax purposes. Visit the IRS website for guidelines on determining Fair Market Value.
- + For safety reasons, the goods we receive need to be in working order; we have a very small staff and are unable to repair faulty or damaged items.

Tax Deductions

All donations made to GOOD+ Foundation are fully tax deductible; we recommend that any donor interested in claiming their donation fill out the [donor tax form](#) for a tax receipt for their donation.
